

What do we live for, if
not to make the world
less difficult for each
other?

Mary Ann Evans

A message from the Dean

We at All Saints' are pleased to be able to offer this program to the people of the Diocese of Milwaukee. It is also open to any interested persons.

The purpose of this short series is three-fold:

First, to introduce the participants to Benedictine Spirituality as a framework for the whole of one's personal spiritual life. Using the Rule of Benedict as our guide we will look at how worship, formation, service and recreation form the whole Christian person.

Secondly, to expose the participants to a variety of lay and clergy who are engaged in active ministry outside the walls of their respective congregations, and some of the spiritual tools that these people employ in their ministries.

Thirdly, to provide space for discernment. There will be no "hard sell" for people to sign up for any particular task. Throughout the sessions, and especially on the last day which will be set aside as a day for reflection, participants will be given space to process some of what they have heard and see where the Holy Spirit is leading them.

I would like to thank the Rev. Marge Kiss for helping to set this up. Her organizational skill are a gift to the diocese. If you have any questions or need any further information, please feel free to contact me:
